When we set out to choose a theme for the 2017 *Wo-He-Lo*, we quickly found it in our list of Core Values established here at East Central Community College: Wisdom, Excellence, Accountability, Respect, Enthusiasm, Efficiency, and Creativity.

Each Core Value could easily be tied in to one of the great parts of the college we chose to showcase in the *Wo-He-Lo*.

## WE ARE EC!

Wisdom  
Excellence

Accountability  
Respect

Creativity

Yes, WE ARE EC!

The theme of this year's *Wo-He-Lo* is taken from a document that is very dear to me and very important to East Central Community College (ECCC). The theme incorporates the Core Values from ECCC's **2020 Vision** strategic plan adopted in February 2013. I talk and write about **2020 Vision** almost daily. It not only represents a shared vision and roadmap for the future of East Central, but it shapes and guides every decision made by the college. As a matter of fact, a copy of this document and the *Campus Master Plan* remain on my desk daily and serve not only as a guide for decision-making at East Central, but also as a reminder every day that although much has been accomplished, there is still so much more to do!

The Core Values in **2020 Vision** help define our highest priorities and deepest held beliefs as a college. They do not change from time to time or situation to situation; they are the very foundation of our culture. They guide our behavior as individuals, and consequently as a college.

Throughout this issue of the *Wo-He-Lo* you will find our Core Values being lived out in the lives of our students, faculty, and staff. This past academic year at East Central has been another period of tremendous growth and accomplishments as a college community.

Last May, after the 2016 *Wo-He-Lo* was printed, we graduated the largest class of students in the college's 88-year history. The college awarded degrees or certificates to 599 students. Just two weeks after you receive this issue of the *Wo-He-Lo* we hope to have another record graduating class on May 5, 2017!

Also during this past year, East Central was named a Military Friendly School for the fourth straight year by Victory Media for its commitment to providing educational services to military students. We were also named one of the best colleges in the nation to work for in an annual survey of more than 46,000 college and university employees by *The Chronicle of Higher Education*. ECCC was one of only three community colleges in Mississippi and one of only 25 two-year schools in the nation to be honored by *The Chronicle*.

The college's Theta Xi Chapter of Phi Theta Kappa (PTK) was named to PTK's inaugural President's List, which recognizes the Top 25 chapters across the nation with the highest membership acceptance rates. In addition, members of the ECCC Phi Beta Lambda, SkillsUSA and PTK organizations all won top honors at state competitions and were invited to their national competition.

ECCC's Culinary Arts Technology program was ranked No. 3 among all such programs in the state of Mississippi by *Best Choice Schools*, and East Central was named one of the Top 100 Best Community Colleges in the nation by *Wallethub.com*.

And this spring we learned ECCC ranks among the top 100 community and junior colleges in the nation in conferring degrees to minorities in three different academic areas according to recent data released by *Diverse: Issues in Higher Education*.

Our varsity athletic teams continue to be among the best in the state and the nation. Last spring our baseball team won the MACJC State Championship. In fall 2016, all three of our sports qualified for postseason play, and the Warrior football team won the MACJC South Division Title for the first time ever and participated in the MACJC state playoffs for the second straight year.

Seven East Central varsity sports teams earned NJCAA Academic Team of the Year honorable mention

awards for having met the grade point average requirement of 3.00 or better. The ECCC men's and women's tennis teams were both named to the 2016 Intercollegiate Tennis Association's All-Academic Teams for having cumulative team grade point averages of 3.20 or above.

We also witnessed the enhancements to our Wellness Center facility and the increased activities it offers thanks to a grant from Blue Cross & Blue Shield of Mississippi Foundation this academic year.

We also opened a new tennis complex in February, and we've watched this year as a three-story, suite-style women's dormitory has risen from the ground with plans to open in August 2017.

Finally, we conducted a pilot for a four-day class schedule in spring 2016 and Fall 2017. Thanks in part to your positive feedback of this program, we have decided to continue the four-day schedule beginning in fall 2017.

This is just a partial list of all the great things that happened at East Central this academic year. There is certainly not room to list them all here, but all of them are included within the pages of the *Wo-He-Lo*.

Finally, I look forward to soon participating in commencement exercises with the Class of 2017. I am confident that during their time at our college, these sophomores have witnessed each of the Core Values lived out by members of the East Central family and also reflected in all that we do as a college. I encourage them to allow these values to guide them now as they pursue their own hopes and dreams. May the words of Colossians 3:23 be the testimony of your life.

Please know that I have been blessed this year by every member of the East Central family—students, faculty, staff, administrators, alumni, and community supporters. I am proud, that along with all of you, WE ARE EC!

God Bless,

Dr. Billy W. Stewart

## SBA President, Makenzie Byrd

Serving on the Student Body Association for two years at East Central has been a blessing to me, but being elected overall President was truly an honor. As Freshman Vice President during my first year, I was just learning how the Student Body Association worked and what type events were being held. My sophomore year was a little different. Now, I was in charge of planning each event and working out all of the intricate details. I was not only able to enjoy each of the events, but I also had to make sure that the student body was making memories as well.

Beginning the school year, I had numerous events and activities planned to host on campus. This is only one of the many wonderful aspects of the Student Body Association. All of those crazy ideas that you form in your mind and find on Pinterest, you finally get to see them become a part of reality. Yes, certain times were stressful, but I would not trade a single moment. Being President of the Student Body Association taught me so much and allowed me to grow as an individual. Through this experience, I plan to take the knowledge that I gained with me throughout life.

From pancake parties and Spring Spree week to concerts with the rock band U.S., each event was so special to me. Without all of the Student Body Association members and sponsors assisting me, the events would not have been possible. My most memorable event as an officer of the Student Body Association was serving as a date to Phi Theta Kappa's "Super Stellar Night", which was a prom for special needs children in the surrounding counties. All of the events that were held created many memories that I hope will last a lifetime for each student at East Central.

Attending East Central Community College was by far one of the best choices that I have ever made. During the past two years, I have not only formed many new friendships, but I also became a part of a wonderful family, the EC family. I am so thankful for each friendship and memory that I have made while being both a student and a part of the Student Body Association. Finishing off my time at East Central, I plan to strive to continue living the EC Way, Excellence with Class.

# »» Dorm & Commuter Life »

There are many opportunities available for students choosing to live on campus. East Central is dedicated to offering the best in housing facilities. The campus has a total of seven dorms—three female and five male.

The three female dorms include Barber Hall, Jackson Hall, and Leake Apartments. The five male dorms include Neshoba, Todd, Newsome, Winston, and Scott halls. All together the dorms have a total of 278 rooms and are all well equipped with all the necessities students need to live.

If a student chooses not to live on campus, commuting from home is another option. Commuters are the students who live at home and drive back and forth to school. Many

students enjoy being able to return home after being finished with classes.

Some students choose to commute because they have a job back home, and others simply like spending time with their family.

There are pros and cons to both options at EC. Living at home saves you money on meals and housing fees, but depending on where you commute from, you could pay more in gas.

For some students, there are too many distractions on campus, and they have a hard time concentrating on their studies, but others are not bothered by the activities on campus and really enjoy sharing the college experience with others in a dorm.

# » Warrior Wellness »

A grant from the Blue Cross & Blue Shield of Mississippi Foundation is boosting East Central Community College's efforts to create and sustain a culture of wellness on its campuses with a \$127,500 grant to support the college's new Warrior Wellness initiative for 2016-2017.

"The goal of Warrior Wellness is to make a difference on the ECCC campus and in the surrounding communities by nurturing the development of a culture of healthy living," ECCC President Dr. Billy Stewart said.

"We are grateful to the Blue Cross & Blue Shield of Mississippi Foundation for this

tremendous grant to help make the initiation of Warrior Wellness possible."

The grant has provided funding for improvements to the current fitness center, and will provide for numerous fitness and wellness outreach opportunities in the future.

Classes being offered in the fitness center include kickboxing, yoga and toning classes. Along with these classes are weight machines, treadmills, ellipticals and many other machines available for use in the center.

The East Central Community College Warrior football team, under fourth-year Head Coach Ken Karcher, earned its first-ever Mississippi Association of Community and Junior Colleges South Division Championship.

While it was the Warriors first South Division title, East Central did earn a North Division title in 1970.

The Warriors earned the right to host defending national champion and No. 5 ranked Northwest Mississippi Community College in an MACJC semifinal game in Bailey Stadium in Decatur.

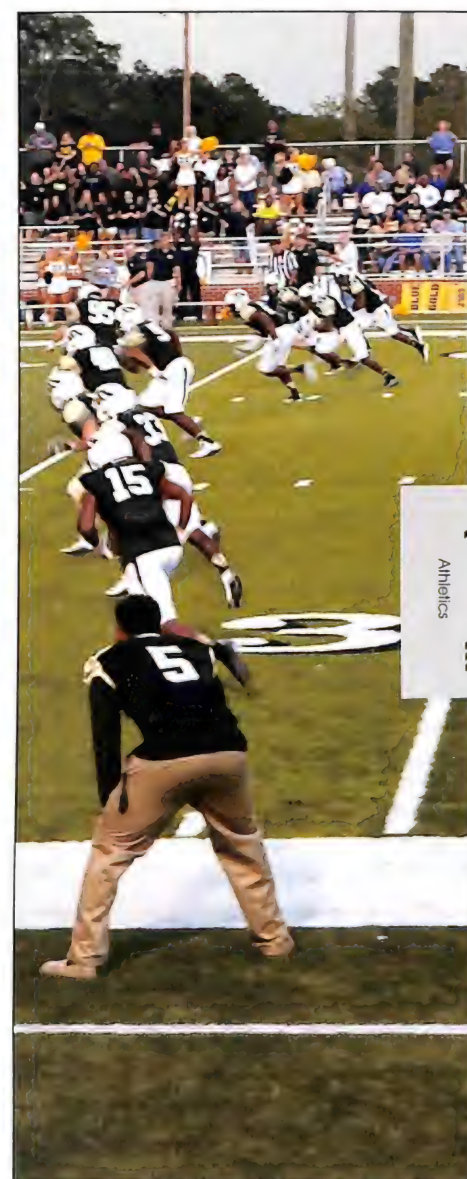

Northwest would end East Central's season in the semifinals with a 21-14 win. The Warriors held a 14-0 halftime lead, but could not muster any second half points in the loss.

It was the second straight season that the two teams met in an MACJC semifinal. The last time an

East Central football team competed in the state playoffs two years in a row was 40 years ago in the 1975 and 1976 seasons.

East Central finished the 2016 football season with a 5-5 overall record. Among the highlights of the season was in September when the Warriors ended a 13-game losing streak to Mississippi Gulf Coast Community College with a 42-28 win in Decatur.

Eleven members of the 2016 East Central Community College Warrior football team received postseason honors from the Mississippi Association of Community and Junior Colleges and the National Junior College Athletic Association. # Warrior Football takes South Division title

The East Central Community College Warrior football team earned its first-ever Mississippi Association of Community and Junior Colleges South Division Championship with a 42-13 road win over Southwest Mississippi Community College Saturday, Oct. 29, in Summit.

While it was the Warriors first South Division title, East Central did earn a North Division title in 1970. Southwest got on the scoreboard first on Homecoming in Summit with a 34-yard field goal on the opening drive.

East Central then drove the ball 61 yards in 10 plays to set up a five-yard touchdown run from quarterback Dominic Marino of Venice (Fla.) High School to take a 7-3 first quarter lead. Aaron Garrett out of Meridian High School added the extra point.

The Warriors extended their lead to 14-3 when Marino found Antonio Gibson of Eagles Landing (Ga.) High School for a 40-yard touchdown pass with 9:13 left to play in the first half.

Southwest added another field goal to close its deficit to 14-6 at intermission.

East Central would extend the lead to 21-6 with 4:25 to play in the third quarter when Marino found Kalen Meggs of Richton High School for a 22-yard touchdown pass and a 21-6 lead. The pass came on a fourth down and 10 play.

The Bears found the end zone for the first time in the game with 14:55 to play on a seven-yard run that capped an 80-yard drive. The Warriors lead was cut to 21-13.

From there on, it was all East Central. Marino tossed his third touchdown pass of the game, this time to Chris Deloach out of Columbus High School from 18 yards out. The Warriors led 28-13.

Southwest fumbled the ensuing kickoff and a Warrior recovery allowed East Central to take over on the Bear 36. Running back Dwayne Barnett of Harrison Central carried it in from the eight for the East Central touchdown and the Warriors were up 35-13 with 8:26 left

to play.

East Central took over again, this time on the Southwest 20 after another Bear fumble on the first play after the kickoff. A few plays later, freshman wide receiver Nigel Woods of

Petal High School recovered the fumble of teammate running back Noah Nix in the end zone to add another touchdown for the Warriors and extend the lead to the final 42-13.

For East Central, Marino was only five of 12 through the air for 91 yards, but threw for three scores. Barnett carried the load in the running game with 227 yards on 38 carries and one touchdown. Nix added another 107 yards rushing on 16 carries.

As a team, the Warriors totaled 536 yards in offense, including 445 on the ground. Defensively, linebacker Eric Barnes III of Seminary High School had 10 solo stops, while defensive back Isiah Thomas out of Madison Central High School added nine tackles, including eight solo stops. Thomas and Barnes both had fumble recoveries.

This was the first time East Central had been to the MACJC football playoffs in consecutive seasons in 40 years.

With the division title, the Warriors earned the right to host defending national champion Northwest Mississippi Community College in an MACJC semifinal game Saturday, Nov. 5, in Bailey Stadium in Decatur. The Warriors lost this game 21-14. East Central finished their season 5-5 overall.

# Diamond Warriors win state title

Freshman shortstop and Mendenhall High School product Billy Cameron's two-run, bases-loaded, walk-off single in the bottom of the ninth gave the No. 14 East Central Community College Diamond Warriors a 13-12 victory over No. 2 Jones County Junior College in the

championship game of the Mississippi Association of Community and Junior Colleges Baseball Tournament May 14 on the campus of Jones County.

It was the fourth state baseball championship for

East Central and Neal Holliman's third as head coach of the Diamond Warriors. East Central also won the 2013 MACJC State Tournament and finished third in 2014.

Jones County jumped out to an early two-run lead in the top of the first, but ECCC answered with four runs in the bottom of the inning.

The game went back and forth until Jones jumped out to a 12-9 lead in the top of the sixth.

The Diamond Warriors rallied to close the deficit to 12-11 going into the ninth.

Sophomore third baseman Will Kennedy of Union High School led off the ninth with a single and advanced to second on an error and to third on a passed ball. Freshman designated hitter Brandon Clark of Neshoba Central High School reached first on a fielder's choice as the Jones County pitcher elected to throw home before Kennedy returned safely to third base.

Sophomore left fielder Matt Mitchell of Lake High School was intentionally walked after Clark stole second on the first pitch of the at-bat. This set up Cameron's walk-off single to right field.

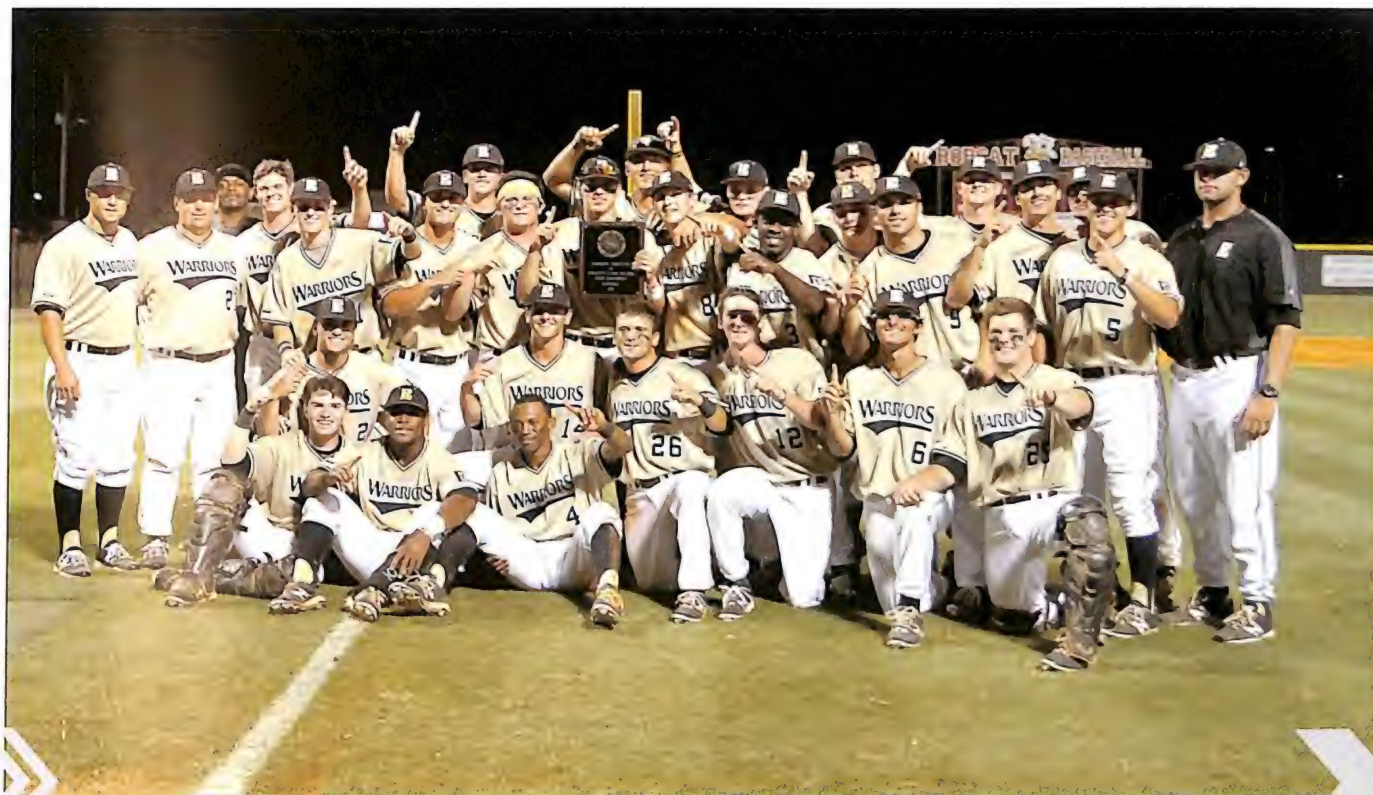

Sophomore right-hander Channing Wall of Louisville High School got the win in relief for the Diamond Warriors. Wall pitched three and one-third innings

allowing no runs and striking out four.

Clark, Cameron, and freshman first baseman Cole Prestegard of Huntsville (Ala.) High School each had three RBI in the championship game.

The Diamond Warriors went undefeated in the

The show included songs such as "Marvel Fanfare," the "Captain America March," Black Sabbath's "Iron Man", Michael Buble's version of "Spider Man" and "Super Man."

Ed Girling, director of bands, said that the inspiration for the show came from "The Big Bang Theory" TV show.

"Sheldon and the gang stage scenes in the comic book store almost every episode," Girling

explained. "With the release of several super hero movies in the past 10 years, it seemed to be the right time to feature these tunes."

The 2016 edition of the Wall O' Sound was 170 strong.

The band performed at halftime of all ECCC home football games, and traveled to Wesson on Sept. 29 to perform at halftime of the East Central vs. Copiah-Lincoln football game. A 50-piece Pep Band traveled to all the other away games.

Steve Moffett served as assistant band director.

# »» Dinner Theater »

The East Central Community College Encore Players presented their annual fall dinner theater at 7 p.m. Thursday and Friday, November 10-11, 2016, in Mabry Memorial Cafeteria. This year's presentation, "The Complete Works of William Shakespeare (Abridged)" by Adam Long, Daniel Singer and Jess Winfield, was directed by Jessica Price.

During the presentation, three actors did the seemingly impossible: they acted through Shakespeare's entire canon – 37 plays – in 90 minutes by summarizing the canon through football plays, songs and outrageously condensed mash-up titles.

Price said, "'The Complete Works of William Shakespeare (Abridged)' hilariously summarizes all of Shakespeare's plays, using reenactments and audience participation. It is famous for holding the "self-proclaimed" record for the shortest production of Hamlet at 43 seconds!"

Cast members included Anastasia Crout, Alexandria Crout, and Jack Vidals.

The dinner menu included salad, roast beef, baked chicken, potato casserole, green beans, roasted vegetables and assorted desserts.

# » Editor's Closing »

My time at East Central has been an experience that I will not soon forget. I've been given so many amazing opportunities here, one of those being the privilege of being editor for this yearbook. The work hasn't always been easy, but the finished yearbook is definitely worth the work that we have put into it. However, there is no way that I could have taken on this project alone, and there are some people whom I would like to thank who have helped to make it all possible.

First of all, I thank the Lord for directing me to East Central and allowing me to have all of the opportunities that I've experienced here. He has blessed me above and beyond anything I could have imagined.

I cannot thank Ms. Amy Thompson enough for all of the hard work and dedication that she put into this yearbook. She worked tirelessly to make this book a success, and without her, none of this would have been possible! She completely outdid herself in her first year of being our advisor and I know that she will continue to do so in the years to come!

I would also like to give a very special thanks to the entire Public Information staff. Thank you to Mr. Bill, Mrs. Maria, Ms. Karen, Mr. David, and Miss Tierra for helping make this book all that it is! Without their valuable input, we would have taken twice as long to complete it.

Last, but certainly not least, I would like to thank my parents for encouraging me to attend East Central. They push me to strive to do my very best in all that I do, including my education, and I'm so thankful for their support and encouragement.

*Sarah Laird*
